## Relay For Life of Wheat Ridge Celebrate, Remember & Fight Back!

Relay For Life is the American Cancer Society's signature activity. It offers everyone in a community an opportunity to participate in the fight against cancer. Teams of people camp out overnight at a local school or park, and take turns walking or running around a track. Each team is asked to have someone on the track at all times.

Relay For Life is a life-changing event that brings together more than 3.5 million people to:

- **Celebrate the lives** of those who have battled cancer. The strength of survivors inspires others to continue to fight.
- **Remember loved ones** lost to the disease. At Relay, people who have walked alongside people battling cancer can grieve and find healing.
- **Fight Back.** We Relay because we have been touched by cancer and desperately want to put an end to the disease.
