

Dear Wheat Ridge Business Owner,

The Carnation Festival has been 'THE' community celebration for the folks in Wheat Ridge for 40 years. For at least 20 of those years' small businesses such as yourself helped show their support for the Carnation Festival by sponsoring banners hung along the streets of Wheat Ridge for the month of August.

We've updated our banners to a new exciting look with full color fireworks graphics and enhanced readability.

For the same price as in year's past, **only \$99**, you may sponsor and personalize to your business one of the 100 beautiful new banners that will grace our 38th Avenue 'Mainstreet' as well as other gateway routes into Wheat Ridge including 32nd/29th & Sheridan, I-70 & Harlan, I-70 & Youngfield and I-70 & Kipling. Your banner will identify your business by name.

The Deadline for Banner Sponsorship is July 17, 2009.

Your check and order form must be received by this date to ensure your banner is printed and hung.
